Jason Scott

Jason Scott specializes in the leasing, sale and exchange of medical and professional office buildings in the Westshore area and surrounding Tampa Bay market. Jason brings over ten years of commercial real estate sales and marketing experience to the firm. His extensive knowledge of the marketplace coupled with a background in financial underwriting provides clients with a solid platform to begin their real estate negotiations.

Jason most recently served as Commercial Finance Consultant Manager and Underwriting Specialist at Scott Global, Inc., located in Tampa, Florida. Here, he was responsible for underwriting and agent training with thorough review of business plans, credit, operating statements, proformas and appraisals. He is a graduate of the University of Memphis in Tennessee, and holds professional licenses as a Florida Mortgage Broker and Florida Real Estate Associate.

Jason actively participates in comprehensive training sessions, seminars and investment real estate forums to stay abreast of the most current market conditions. His objective is to serve the firm and his clients as a market expert, offering them an extensive computer database of investor and property information. Jason consistently focuses on bringing his clients detailed analysis and diligence with proven results.
